Sometimes When We Touch

Carola

You ask me if I love you and I choke on my reply
Oh, I'd rather hurt you honestly than mislead you with a lie
But who am I to judge you on what you say or do?
I'm only just beginning to see the real you, oh
But sometimes when we touch, the honesty's too much
And I have to close my eyes and hide
I wanna hold you till I die, till we both break down and cry
I wanna hold you till the fear in me subsides
Romance and all of its strategy leaves me battling with my pride
But through the insecurities some tenderness survives
But I'm just another singer still trapped within my truth
I'm a hesitant prize fighter still trapped within my youth
But oh, sometimes when we touch, oh, the honesty's too much
Oh, and I, I've to close my eyes and hide
I wanna hold you till I die until we both break down and cry
I wanna hold you till the fear in me subsides
Oh, I wanna hold you till I die until we both break down and cry
And I have to close my eyes and hide
Oh, I wanna hold you till I die, till we both break down and cry
I wanna hold you till the fear in me subsides
Oh, sing the song
Hold you till I die, both break down and cry
Oh, and I, I have to close my eyes and hide
Oh, I wanna hold you till I die, till we both break down and cry
I wanna hold you till the fear in me subsides, ooh, ooh, oh, oh
Oh, I wanna hold you till, till I die, till we both break down and cry
I wanna hold you till the fear in me subsides
