

# Take a Knee My Ass

[Neal McCoy](#)

I really like the Red, White, and Blue  
It's really good, and so are You.  
America's cool, it's pretty old.  
This country's fun, it's heroes are bold.[Chorus]So, I guess I'm gonna take a knee my ass.  
That's right!  
I'm just gonna take a knee my ass.  
Yee-haw!  
Let's all just have fun taking a knee my ass.Once I saw a veteran on the street  
I said hey there guy, you sure are neat  
I bowed so deep I hurt my neck  
If you hate veterans you're going to heck  
[Chorus]  
So, I guess I'm gonna take a knee my ass.  
That's right!  
I'm just gonna take a knee my ass.  
Yee-haw!  
Let's all just have fun taking a knee my ass.
