

Fortunate

Common Rotation

Never seen a sun shine like this
Never seen the moon glow like this
Never seen the waterfalls like this
Never seen the lights off like this
 Never dug anyone like this
 Never had tasty lips to kiss
 Never had someone to miss
Never wrote a song quite like this
 Fortunate to have you girl
I'm so glad you're in my world
 Just as sure as the sky is blue
I bless the day that I found you
Never had room service all night
Never took a trip first class flight
 Never had a love affair so tight
I've never felt a feeling so right
 Never seen a winter so white
 Never had words to recite
 Never had a flame to ignite
And I never sang a song with all my might
 Fortunate to have you girl
I'm so glad you're in my world
 Just as sure as the sky is blue
I bless the day that I found you
 Fortunate to have you girl
I'm so glad you're in my world
 Just as sure as the sky is blue
I bless the day that I found you
 Silence child, hope you hear
 I'm callin' out to your body
Baby, you know just what to do
Close the door and windows too
 Fortunate to have you girl
I'm so glad you're in my world
 Just as sure as the sky is blue
I bless the day that I found you
 Fortunate to have you girl
I'm so glad you're in my world
 Just as sure as the sky is blue

I bless the day that I found you
