

# Destiny

## Buju Banton

The rich man's wealth is in the city  
Destruction of the poor is his poverty  
Destruction of your soul is vanity  
Do you hear?  
I and I, I wanna rule my destiny  
I and I, I wanna rule my destiny  
Destiny, mama look from when you call me  
Destiny, mama look from when you calling  
I wanna rule my destiny  
Yeah, yeah, oh, help I please, Jah Jah, mek mi rule  
I've been blessed I've been touch, I love Jah so much  
They keep fighting me I'm not giving up  
May the realms of Zion fill my spiritual cup  
Wisdom overstanding can never be too much  
Give I protection Day and night

Destiny, mama look from when you call me  
Destiny, mama look from when you calling  
I wanna rule my destiny  
Yeah, yeah, oh, help I please, Jah Jah, mek mi rule  
Cast away their cords from us  
You have them in the region in the valley of decision  
Restraining the heathen with a rod of iron  
You know not the destiny of a next man  
Why hold him set him free too long  
My destination is homeward bound  
Though force try to hold I down  
Breaking chains has become the norm  
I know I must get through no matter what a gwaan
