Leave My Mind

Lene Marlin

Now I really cannot see,
If you were good for me at all
I wanna say, that everything's fine,
But it's not... but it's not
All the times you made me stay,
I see it all so clear today
And I wish I could
Turn back time... turn back timeIf I had a choice
I'd leave all behind
If I had a choice
I'd make you leave my mind
Leave my mindThe things you had me do
Everytime you knew I would
I wanna say, that I was aware
But I can't... but I can't
All you tried to take away
I see it all so clear today
And I feel like a fool
I let myself down... let myself downIf I had a choice
I'd leave all behind
If I had a choice
I'd make you leave my mind
Leave my mindAnd you begged me to trust you
I wish I never did
And you begged me to trust you
I wish I never didIf I had a choice
I'd leave all behind
If I had a choice
I'd make you leave my mind
Leave my mind
