It Makes No Difference

Ruthie Foster

It makes no difference where I turn
I can't get over you and the flame still burns
It makes no difference, night or day
The shadow never seems to fade awayAnd the sun don't shine anymore
And the rains fall down on my doorNow there's no love
As true as the love
That dies untold
But the clouds never hung so low beforeIt makes no difference how far I go
Like a scar the hurt will always show
It makes no difference who I meet
They're just a face in the crowd
On a dead-end street
And the sun don't shine anymore
And the rains fall down on my doorThese old love letters
Well, I just can't keep
'Cause like the gambler says
Read 'em and weep
And the dawn don't rescue me no moreWithout your love I'm nothing at all
Like an empty hall it's a lonely fall
Since you've gone it's a losing battle
Stampeding cattle
They rattle the wallsAnd the sun don't shine anymore
And the rains fall down on my doorWell, I love you so much
It's all I can do
Just to keep myself from telling you
That I never felt so alone before
