Never die

Mario Biondi

Never die when love has goneI now you think you' d like to run awayNever die when all my wordsAre falling rain in your soulNever die
All my days seem just the same
And all my nights I tried to explainThat I want your love
Beyond today
I need you so just waitI' ll never dieNever die when love has gone
Just let it go
You 're free another day
But don' t run away
Never die when all my wordsAre passing clouds through your soulNever dieAll my days seem just the sameAnd every night I tried to explain
That I wanted you beyond today
I need you now just waitI' ll never die never die never dieNever die when love has gone I now you think you' d like to run awayNever die when all my words
Are falling rain in your soulNever dieAll my days seem just the same
And all my nights I tried to explain
That I want your love beyond todayI need you so just waitI 'll never never never die
I' ll never never never die
I' ll never die
I' ll never never never dieI' ll never die
