Trainwreck 1979

Death from Above 1979

I was born
On the highway
In a trainwreck
With a heart
That was beatin'
Outta my chest
So now I follow it
Around the world
I can't keep up
If I don't get it soon
I know I'll bleed
Until I drop

'Cause I want it all
I can't get enough
'Cause I want it all
I can't get enough

There's a darkness
And a hollow
On the highway
Every cross
On the roadside
Tells a story
So now I follow it
Around the world
I can't keep up
The story never ends
As long as we have
Blood guts

'Cause I want it all
I can't get enough
'Cause I want it all
I can't get enough

I can't get enough
I can't get enough

It ran off the track

The physical world
While the immigrants slept
There wasn't much time
Mayor came callin'
And got em outta bed
They packed up their families
And headed up wind
Poison cloud
A flaming sky
200,000 people
And no one died
And all before the pocket dial
Yeah!

I keep searchin' and searchin'
I keep searchin' and searchin'

Now I'm stranded
Tied to the tracks
There's no hero
There's no villiain
There's nobody I can blame
The story's still the same
I'm never satisfied
It's a problem with my brain

I keep searchin' and searchin'
I keep searchin' and searchin'

'Cause I want it all
I can't get enough
'Cause I want it all
I can't get enough

I can't get enough
I can't get enough
I can't get enough
I can't get enough
I can't get enough
I can't get enough
I can't get enough
I can't get enough
