

# She

## Tyler, the Creator

[Verse 1: Frank Ocean]

Golden rubbers in these denim pockets (denim pockets)

On my waist, there's a black Glock (black Glock)

New girl moved on the block (on the block)

She's been plottin on my brown cock (brown cock)

Last night I slept over hers (over hers)

Durin sex I overheard (I overheard)

A sword sliced the air, I pulled out the na-na

Rolled off the bed then shot back.

Pow Pow

Blood on the sheets probably spillin' from my gash

Looked out the glass, seen you sprintin' on the grass

A real ninja with the blade and the mask

Got them gold ninja stars and red Supreme nunchuks

Now she tryna patch me up but,

Girl I was just tryna get a nutbust

If that's your ex, you should probably own a pistol

But I'm guessin' it's wiser to exit with dude[Hook: Frank Ocean]

The blinds wide open so he can

See you in the dark when you're sleepin'

Naked body fresh out the shower

You touch yourself after hours

Ain't no man allowed in your bedroom

You're sleeping alone in your bedo

Check ur window

He's at your window[Verse 2: Tyler, The Creator]

The night light hits off, turnin' kisses to bites

I'm a down to earth nigga with intentions that's right

You'll be down in earth quicker if you diss me tonight

But I'll be the happiest if you decide to kick it tonight

We can chill and I can act like I don't wanna fuck

You can tell me all your problems like I really give one

But I give two for us cause you're the one that I want

Don't wanna seem like a punk pussy that sips on the punk pussy

See when I'm with my friends I just put on a front

But in the back of my top I'm writing songs about we

We as including I and yourself, making three

Little ones, the drums are hitting pretty hard if you ask me

And you're a pretty broad in the top three

Of things that I've been waiting to cum, so  
Meet me by the lake around 10, its skinny dippin' and then  
We can begin the pretend game,  
I want to be Finn from Adventure in Time[Hook][Bridge: Tyler, The Creator]  
One, two, you're the girl that I want  
Three, four, five, six, seven, shit  
Eight is the bullets if you say no after all this  
And I just couldn't take it, you're so motherfuckin' gorgeous  
Gorgeous, baby you're gorgeous  
I just wanna drag you're lifeless body to the forest  
And fornicate with it but that's because I'm in love with  
You cunt[Bridge 2: Tyler, The Creator]  
I just wanna talk, and conversate  
Cause I usually just stalk you and masturbate  
And I finally got the courage to ask you on a date  
So just say yes, let the future fall into place  
I just wanna talk, and conversate  
Cause I usually just stalk you and masturbate  
And I finally got the courage to ask you on a date  
So just say yes, let the future fall into place cunt[Hook][Bridge]
