

# Ghoulish (Hercules & Love Affair Remix)

## Poly Styrene

Crimson lips and charcoal eyes  
On your painted white face, quite a surprise  
But I can see through your disguise  
I can see you're quite a nice guy  
Ghostlike form [Incomprehensible] clouded black  
Snake like hips, wild across back  
But I can see through your disguise  
I can see you're quite a nice guy  
Baby, you're so ghoulish  
But I'm not so foolish to be scared  
Dyed black hair and pencil browns  
A girls curiosity is not aroused  
But I can see through your disguise  
I can see you're quite a nice guy  
Whispers voiceless and disturbed  
Mysterious life of bad or good  
But I can see through your disguise  
I can see you're quite a nice guy  
Baby, you're so ghoulish  
But I'm not so foolish to be scared  
I'm not scared  
I'm not scared  
Crimson lips and charcoal eyes  
On your painted white face, quite a surprise  
But I can see through your disguise  
I can see you're quite a nice guy  
Ghostlike form [Incomprehensible] clouded black  
Snake like hips, wild across back  
But I can see through your disguise  
I can see you're quite a nice guy  
Baby, you're so ghoulish  
But I'm not so foolish to be scared  
Baby, you're so ghoulish  
But I'm not so foolish to be scared
