Persephone Dreams

NZCA/LINES

If only the wind slowed down
I'd feel you were here somehow
It carries me back, straight into you
If only silently
You were carried on the air I breathe
Hurry me backAre you ready now
Do you really want the night to end
Only when I've been counting the hours here waiting for you
Are you ready now
Do you really want it all to change
Only when I've been counting the hours here waiting for you
My love
Over the ground like fire
Do we generate this light
That only surrounds, closer to you
We separate like halves
I see what you are dreaming of
Hurry me back
And tell me you'll wait til this can't be broken
And tell me you'll wait til the time is chosen
