You Can Still Get Through

GTR

Stop, look and listen
Take it all in
Things you've been doing
Have gotten under your skinDown on your knees
The phone calls for you
Too many mornings
You're not pulling throughDon't throw away your time
CHORUS
Someday you're gonna fly
To the edge of the world
You just have to believe
You can still get throughBeg, steal, or borrow
Your time's running out
A fight that's worth fighting
When your future's in doubt
Don't throw away your timeCHORUSI believe
You can still get through
