# A Message From My Mothers Passed

## The Jezabels

A message came for me today
The voice was soft and wise
If you go out alone tonight
Just watch your back my childSomething's happening
Something strongSomeone's tapping
At the doorYou know that funny feeling
At moments of this type
The senses become keener
We see through other eyes
I walked along the underpass
Cute little rats scattered
In the pale moonlight
And when the moment came to pass
I told them
No
Not me
Not this timeSomething's happening
But not what you thoughtSomeone's tapping
I hope you find
Some safety soon
Or a middle groundA message came for me again
When I was twenty-two
That's going back in time, you say
Well, that's just what I'll do
For those collecting bodies
In any age
Are looking for a type
Whatever you do, little girl
Just hold your head up highI said
Higher
Higher
Higher
Reach the sunYou appear
Younger
Younger
Younger
But not too youngSomething's happening
Oh no, oh no
It won't be longYou wanna be

Stronger
Stronger
Stronger
But not too strongLie safely in the middle ground
The middle ground
The middle ground
