The One

Jukebox the Ghost

Verse 1:
Maybe the sky isn't falling,
Maybe it's all in my head.
Maybe the world isn't dangling off the edge.But the feelings the same,
In fact it feels like a trap,
Set by someone who wants for my heart to collapse.So can we take a moment and stop?Chorus:
Cause I don't want to be the one, be the one
Cause I don't want to be the one, be the one
Cause I don't want to be the one, who falls for you
(Oooh x2)Verse 2:
Maybe the world isn't ending,
Maybe its been postponed.
I've got a feeling it's happening all on its own.They say that love is contagious,
But I don't know about that.
Cause broken hearts are the easiest part to give back.So can we take a moment and stop?Chorus:
Cause I don't want to be the one, be the one
Cause I don't want to be the one, be the one
Cause I don't want to be the one, who falls for you
(Oooh x2)
Cause I don't want to be the one, be the one
Cause I don't want to be the one, be the one
Cause I don't want to be the one, who falls for youBridge:
The clock is out,
The timer's up,
And I've got nowhere to go.
Take my pride,
Take my friends,
Just don't take my heart.I don't think I can take it,
Another heartbreaking,
Another whole world crumbling in two.
I'm sick of the endings,
And I'm sick of beginnings,
Of anyone who stumbles into view.Intro to Chorus:
Cause I don't want to be the one, be the one
Cause I don't want to be the one, be the oneChorus:
Cause I don't want to be the one, be the one
Cause I don't want to be the one, be the one
Cause I don't want to be the one, who falls for you
(Oooh x2)

Cause I don't want to be the one, be the one
(I don't want to be the one)
Cause I don't want to be the one, be the one
(I don't want to be the one)
Cause I don't want to be the one, who falls for you
