Alien

Thriving Ivory

No need to be here
No card to clock in
And I can swear somebody's watching
where I go and where I've beenBrother I can see Moses
and all the things he did for you
Oh brother, I've been hearing voices
that I'm probably not supposed toHow will I walk steady
if the ground should come alive?
And tell me how will I be ready
for the world another time?Whoa, alien
You'll be just fine
You've always been beautiful to me
Whoa, alien
Pay us no mind
We haven't the light to hold to seeAm I another slave now
to the screaming in my head?
Or is it a little strange now
how the moment's gone and fled?
Oh brother I've gotta tell you
that something here is wrong
Oh brother I've gotta tell you
this place ain't what I thoughtWhoa, alien
You'll be just fine
You've always been beautiful to me
Whoa, alien
Pay us no mind
We haven't the light to hold to seeI know I ain't gonna live forever
And I know you feel the same
You'll see it when your older
No, love is not a game anymore
So thank God we're togetherWhoa, alien, you'll be just fineWhoa, alien
You'll be just fine
You've always been beautiful to me
Whoa, alien
Pay us no mind
We haven't the light to hold to see
