brighter day

Susie Luchsinger

There's a brighter day waitin' down the road
For every one with a heavy load;
A truer love, a brand new start
For everyone with a broken heart.
Chorus:
Oh the clouds are all gonna disappear
Sun' gonna dry up every tear;
Before you know it,
It'll be here.
There's a brand new train waitin' on the tracks
It's glory bound, it ain;t coming back;
There's plenty of rom when the whistle blows
For the down and out and the weary souls.
Repeat chorus-Sometimes you feel like
The world comes crashin' down around you -
Sometimes you wonder
If you're ever onna get out from under all the blues
Chorus:
There's a ship that's sailing across the sea
Of pain and sorrow and misery;
Storms can rage and rains can fall
But it won't change it's couse at allRepeat verses 2 & 3
