

Wonderwall

Mike Posner

today was gonna be the day
that they're gonna throw it back to you
by now you should've somehow
realized what you gotta do
i don't believe that anybody
feels the way i do about you now
and all the roads we have to walk along are winding
and all the lights that lead the way you're blinding
there are many things that i would
like to say to you
but i don't know how
i said maybe
you're gonna be the one that saves me ?
and after all
you're my wonderwall
backbeat the word was on the street
that the fire in your heart is out
and i'm sure you've heard it all before
but you never really had a doubt
i don't believe that anybody feels
the way i do about you now
and all the roads we have to walk along are winding
and all the lights that lead the way you're blinding

there are many things that i would
like to say to you
but i don't know how
know how
i said maybe
you're gonna be the one that saves me ?
and after all
you're my wonderwall
they say they never let it free i should tell you that
would you protect me from my face when they come around?
i .. be the best that you can be
but every now and then it makes it hard to see
what is in front of me surely i will never ?
feel what was left behind you no the dos and don'ts
.. broken dreams will tear us apart

start over and over to make it through
now i can see what i can see in you is win it
all falls down you know it and i know it too
it's all a visionry .. never lose
of course that was between nightmares and dreames
there was a time i used to say i often dream too much
what you hear knock them hard
i said maybe
you're gonna be the one that saves me ?
and after all
you're my wonderwall
