# Come Stay With Me

## Marianne Faithfull

I'll send away all my false pride
And I'll forsake all of my life
Yes, I'll be as true as true can be
If you'll come and stay with meLovers of the past I'll leave behind
There'll never be another on my mind
I'll do all I can so you'll feel free
If you'll come and stay with meThe promises I made most faithfully
I'll keep still should you decide to leave
I'll try and see that you have all you need
If you'll come and stay with meWe'll live a life no one has ever known
But I know you're thinking that I'm hardly grown
But oh thank God, at last and finally
I can see you're gonna stay with meBut oh thank God, at last and finally
I can see you're gonna stay with me
