

Did She Mention My Name

Larry and Wyatt Rice

It's so nice to meet an old friend and pass the time of day
And talk about the home town a million miles away
Is the ice still in the river, are the old folks still the same
And by the way, did she mention my nameDid she mention my name just in passing
And when the morning came
Do you remember if she dropped a name or twoIs the home team still on fire, do they still win all the games
And by the way, did she mention my nameIs the landlord still a loser, do his signs hang in the hall
Are the young girls still as pretty in the city, in the fall
Does the laughter on their faces still put the sun to shame
And by the way, did she mention my nameDid she mention my name just in passing
And when the talk ran high
Did the look in her eye seem far awayIs the old roof still leaking when the late snow turns to rain
And by the way, did she mention my nameDid she mention my name just in passing
And looking at the rain
Do you remember if she dropped a name or twoWon't you say hello from someone, there'll be no need to
explain
And by the way, did she mention my name
