Generation

Caitlin Crosby

Children of every shape and size
Cutt your hair and work them thighs
Boys work hard to make the cash
Girls play dumb and shake that ass
As you are youre not enough
So If youre weak play it tough
Put on your mask be one of them
They'll like ya now and be your friend
Paint it on, do the Deed
Disrespect yourself down on your knees

Genaration, just one nation
Under God, but He can't stop our
Genaration, from our appetites
So give us strength to fight

People of every tribe and tounge
Sell yourself until your numb
Good is bad and bad is good
Everyones misunderstood
Disobey, experiment
Waste away without regret
Use em up, say goodbye
Turn your backs on those who cry
Paint it on, do the deed
Disrespect yourself down on your knees

Genaration, just one nation
Under God, but He can't stop our
Genaration, from our appetites
So give us strength to fight

This temptation
Medication
Starvation
Where is salvation

This temptation
Medication
Starvation

Where is salvation
