

The Eyes of Texas

Masters of Reality

The eyes of texas...are upon you
The eyes of texas...are upon you Now here come the girls
In that pretty red ford
Yeah they're packing the girls
In that pretty red ford And out of the engine
Came the flame with a name
It burned up my mind
It made me insane The eyes of texas
Are upon you I put on my boots and I got down to work
Yeah I sang her a song
And I got down to work And out of the engine
Came the flame with a name
It burned up my mind
It made me insane The eyes of texas
Are upon you Get me a bottle
Get me a smoke
I gotta kick back
Gotta let it all go In the middle of nowhere
Is where I wanna be
In the shade of the pines
Is where I wanna be
