Haunted Hated

Superjoint Ritual

Follow long, lay that door.
I would kill, a pierce that priced me.
Slack in bed, slack and better.
Switch and clear, fill the void.(x2)Followed home, always fear.
Refill my prescription for Friday.Follow long, lay that door.
I would kill, fill the void.Followed Home, always fear.
Refill my prescription for Friday.
What it is.
Fail on the outside,
and the great relief.
The ribbon on the half.
Dumb apology.
A Razor in your brain
A close missed attention,
For the road to mass creation.Won, Dead.
