Real Niggas"(feat. Lil' Kim, Notorious B.I.G.

[Puffy]

I'm not wit none of that

Standin' around lookin' cool and shit

I want you motherfuckers to jump the fuck up

And have some motherfuckin' fun

You understand what it means to be black?

I have my man the Notorious B.I.G in the back

I go by the name of the Puff Daddy

But check this shit out

Four, five

As we procced to give you what you need

[Notorious B.I.G]

Sick of momma screamin' that "Get a job, nigga"

Pressed to the limit, gotta rob me a nigga

Simple and plain, my man scooped me in the hoop

Whispered in his ear, this is what we gotta do G

Got to bang a nigga and bang a nigga good

So I could cop a Benz and drive the fuck out the hood

Cause baby mama screamin', your daughter twelve months

Can't live life slingin' rocks and smokin' blunts

Hangin' with the nigga's don't pay the bills

And bein' broke at 30 give a nigga the chills

So what we gotta do is creep and see a sweet vic

Yo, you see that shit? (Hell yeah, I see that shit)

Columbian, Dominican, yeah whatever

Whoever he was, he had it tucked under the leather

Two keys, twenty G's, nigga please

Blew his brains out cause witnesses we don't need

And I will lick shots and run through your home
Or better yet I put your son to the chrome
Turn the music up and unplug the phone
I will kill him, read my lips
You too, motherfucker if I don't see no bricks
See, I flips when I don't see no chips
Yeah, nigga, I know you in pain, I don't care nigga
I want the stash, keys, hash, weed, G's motherfucker, freeze
Cock sucker, you better bring the things out
Before I blow your motherfucker frame out

The open surgeons heart removers

Crack open your safe then put a bomb to it
Fuck shootin' windows nigga, I jumps through it
