

# Air Raid

## Agent 51

YEA! Wanna tell you a story  
About a friend of mine in the pen  
When the gavel fell and the lock down cell  
This ? has its revenge  
I aint taking about killing no  
He aint the killing kind  
Just big ass racks and ??  
Beer ? Whiskey and wine  
AIR RAID  
The city ? and the rock n roll  
AIR RAID  
The next day they decided  
That getting out ?  
With a big ciguar he too his guitar  
? his way to the stage  
?  
They try dragging him down  
Nobody knew what he was going to do  
And silence rang all around
