

# Solitary (Deathstar Disco Mix)

## VNV Nation

Set me aflame and cast me free  
Away you wretched world of tethers  
Through the endless night and day  
I have never wanted more.  
Always thought that I would stand  
Before the faceless name of Justice  
Like some law unto myself  
Like a child of God again. And if rain brings winds of change  
Let it rain on us forever  
I have no doubts from what I've seen  
I have never wanted more.  
With this line I'll mark the past  
As a symbol of beginning  
I have no doubt from what I've seen  
I have never wanted more. In this picture stands a man  
Far away, alone and distant  
Like a solitary field  
In some nameless foreign land.  
All around him points of light  
Start to dim and cease transmitting  
Shadows fell on futile games  
And then there was nothing more.  
Through the screams of falling steel  
By the light of flares and wisdom  
All the doubts I could not face  
All this time I wanted more.  
With a line I mark the past  
As a symbol of beginning  
To the gods whose names we've lost  
And the names who gave in vain. And if rain brings winds of change  
Let it rain on us forever  
I have no doubts from what I've seen  
I have never wanted more.  
With this line I'll mark the past  
As a symbol of beginning  
I have no doubt from what I've seen  
I have never wanted more. Set me aflame and cast me free  
Away you wretched world of tethers  
Through the endless night and day

I have never wanted more.  
Always thought that I would stand  
Before the faceless name of Justice  
Like some law unto myself  
Like a child of God again. And if rain brings winds of change  
Let it rain on us forever  
I have no doubts from what I've seen  
I have never wanted more.  
With this line I'll mark the past  
As a symbol of beginning  
I have no doubt from what I've seen  
I have never wanted more. Sever the line to the guilty past  
To the ones who brought us nothing  
Spoke of futures brave and proud  
And brought only hate and war.  
Lined the roads with hollow praise  
Marked the land with paper statues  
Shadows fell on their futile ways  
And then there was nothing more
