

# This Flame (Soul Album Version)

Margaret Becker

The greatest love  
I have ever found  
Was like a treasure buried in a field of stones  
Hidden there  
In the hardened ground  
Was a gift more precious than gold  
So I gave  
All I owned  
Just to make it mineCHORUS  
No price is too great  
No mountain too high  
No distance too far  
No ocean is too wide  
All my world is in You  
I will never leave Your side  
And this flame will never dieThe finest love  
I have ever known  
Was like a pearl that many dream they'll find  
Oh what joy  
When I held that love  
And I know that it could be mine  
So I gave  
All I owned  
Just to make it mine(repeat chorus)  
I believe  
That a love like this  
Will never come to an end  
All I have  
And all my life  
I'd give it all again
