

Doggystyle

Paulo Mendonca

Verse 1

every single moment that i'm with you baby...
i cant believe this hold that you've got over me
and every morning when i rub my eyes, (i'm) thinking bout the things we said and did last night...

I was blind but with you i see. Chorus 1

ayyye, aaaaaaaaaaaaaayyyyyyye
let me be the one to hold you babe... (I'll) take you up to the sky
ayyye, aaaaaaaaaaaaaayyyyyyye (or... So high, so hiiiigggh)
wanna really get to know you baby... wanna do you doggystyle Verse 2

every single day we get together baby
every single day (or time?) you're walking in my park
(there's) so much barking and a so much bite... i love the way we make up after every fight
i cant wait to see (or have/meet?) you after dark Chorus 2

ayyye, aaaaaaaaaaaaaayyyyyyye
let me be the one to hold you babe... (I'll) take you up to the sky

wanna really get to know you baby... wanna do you doggystyle
