

# Lullaby

## Dear Juliet

You can rest easy tonight  
everything is gonna be alright, i promise  
go to sleep and dream of me tonight  
everything may not be perfect, but at least we tried  
so tonightsweet dreams and sleep tight  
i've been trying so hard, can't get you out of my mind  
and if this is how it has to be, just promise you won't forget me  
and i'll leave you with this lullaby tonight  
i know that this hurts you, it hurts me too  
i wish there was something i could do to make it easier for you  
sometimes it's tough, too soon to call it love but i wanted to  
yeah i wanted to, but it's too late now to say all the wonderful things that i thought of you
