

Caledonia

Brenda Cochrane

I don't know if you can see
The changes that have come over me
In these last few days I've been afraid
 That I might drift away
So I've been telling old stories singing songs
 That make me think about where I came from
And that's the reason why I seem so far away today
 So let me tell you that I love you
 That I think about you all the time
 Caledonia you're calling me
 And now I'm going home
 And if I should become a stranger
You know that it would make me more than sad
 Caledonia's been everything I've ever had
 Now I have moved and I kept on moving
 Proved the points that I needed proving
 Lost the friends that I needed losing
 And found others on the way
And I've kissed the ladies and left them crying
 Stolen dreams oh there's no denying

And I have travelled hard with my coat tails flying
 Somewhere in the wind
 So let me tell you that I love you
 That I think about you all the time
 Caledonia you're calling me
 And now I'm going home
 And if I should become a stranger
You know that it would make me more than sad
 Caledonia your the best friend I've ever had
[instrumental]So let me tell you that I love you
 That I think about you all the time
 Caledonia you're calling me
 And now I'm going home
 And if I should become a stranger
You know that it would make me more than sad
 Caledonia's been everything I've ever had
 Caledonia's been everything I've ever had
 Caledonia's been everything I've ever had
