

I Give You Give (Remix)

Five Star

Mmm

It's one of those days

And you're on my mind

I really need your love

I think of you all the time

In many, many ways

You're here with me

You know fantasy

I bring you love, so babyStep into my world (step into my world)

And you're into me

You feel so good, I can't deny your heart

Oh, what can I say?

You make me feel this way

So come on over to me, baby

You know you are the oneI give you love, you give it back

Our love will always be like that

I give you love, you give it back

That's how love's supposed to be

I give you love, you give it back

Our love will always be like that

I give you love, you give it back

That's how love's supposed to beWhen I'm giving you love,

You're giving it to me

I swear to God you're all I need for me

I'll let you have your way

Ooh, I'm going your way

I'm feeling all I need for you, soStep into my world (step into my world)

Come in my life

You'll never find another baby

That will keep you satisfied

Take all my heart

You know you want my love

So come on over to me, baby

You know you are the oneI give you love, you give it back (you give it back)

Our love will always be like that (you give me good love)

I give you love, you give it back (mm)

That's how love's supposed to be

I give you love, you give it back (you give it back)

Our love will always be like that (you give me good love)

I give you love, you give it back (mm)
That's how love's supposed to be (mm, yeah) You gonna give
You gonna give
All your love (you give me good love)
You gonna give (mm-hmm)
You gonna give (you give)
All your love (baby) Step into my world (step into my world)
Come in my life
You'll never find another baby
That will keep you satisfied
Take all my heart
You know you want my love
So come on over to me, baby
You know you are the one I give you love, you give it back (hey, yea)
Our love will always be like that (always been like that)
I give you love, you give it back (ah yeah)
That's how love's supposed to be
I give you love, you give it back (you give me love)
Our love will always be like that (you give me good love)
I give you love, you give it back (mm)
That's how love's supposed to be (mm yeah) I give you love, you give it back (I'll keep you satisfied)
Our love will always be like that (been like that)
I give you love, you give it back (oh baby)
That's how love's supposed to be (hey yeah, yeah)
I give you love, you give it back
Our love will always be like that (always been like that)
I give you love, you give it back (hey, oh yeah)
That's how love's supposed to be (I give you love)
I give you love, you give it back (you give it back)
Our love will always be like that (yeah, baby)
I give you love, you give it back (mmm, yeah)
That's how love's supposed to be
