500 Letters (Colours In The Dark, 2013)

Tarja

500 letters from a stranger on my door...
500 letters, words like stars now I can see...It felt so innocent, a childish game,
Lines of poetry, without a name.
Whizz of paranoia, wish upon a page
And seems obsession, turns to rage.Why do you love me?
Why do you want to have me?500 letters from a stranger on my door
500 revels inside, can't take it anymore
500 letters, words like stars now I can see
500 secrets, slowly killing me.At the mercy of a violent hand
Trowing inches, in my head
I can't scape the way I feel inside
In every shadow, just a breath behind.Why do you love me?
Why do you want to have me?500 letters from a stranger on my door.
500 revels inside, can't take it anymore
500 letters, words like stars now I can see.
500 secrets, slowly killing me.They found the final letter lying by his side,
a smile was on his face, cold as ice.
One less message written only for me,
now you won't forget: I see you in your dreams.500 letters from the stranger on my door.
500 revels inside, can't take it anymore
500 letters, words like stars now I can see.
500 secrets, slowly killing me.
