Time Of Our Life

Big Time Rush

I'm lookin and you, yeah
you're lookin at me
something about you's got me goin crazy
so what should i do, what can i say
she's beautiful, unusual, the prettiest thing in the room
no one else compares to you
just do what you do and i will be there for you
if you take my hand (my hand), just give me the chance (the chance)
say don't worry about a thing
just dance dance dance
hey!
It feels right girl just give me a sign
we're gonna party all night
have the time of our life, yeah
i can't fight how i'm feelin inside
we can party all night have the time of our life, girl
oh oh woah
oh oh woah
we're gonna party all night
p-par-party all night, girl
oh oh woah
oh oh woah
we're gonna party all night
have the time of our life, girl
i can't help myself, cuz girl you're so fly
i knew from the minute that i looked in your eyes
that you could be the one, you're just my type
can't let you get away, isn't it obvious
that i'm into you
no one else compares to you
just do what you do and i will be there for you
if you take my hand (my hand), just give me the chance (the chance)
say don't worry about a thing
just dance dance dance
(don't worry girl)

Hey!
it feels right girl just give me a sign
we're gonna party all night

have the time of our life, yeah
i can't fight how i'm feelin inside
we can party all night have the time of our life, girl
oh oh woah
oh oh woah
we're gonna party all night
p-par-party all night, girl
oh oh woah
oh oh woah
we're gonna party all night
have the time of our life, girl
no we don't have to leave tonight
we'll stay together on the dance floor
turn up the sound, turn down the lights
(the lights, the lights, the lights)
(don't wanna let go, yeah)
make this a night we won't forget
and livin with no regrets
and no one else but us
til the sun comes up
it feels right girl just give me a sign
we're gonna party all night
have the time of our life, yeah
i can't fight how i'm feelin inside
we can party all night have the time of our life, girl
oh oh woah
oh oh woah
we're gonna party all night
p-par-party all night, girl
oh oh woah
oh oh woah
we're gonna party all night
have the time of our life, girl
