Rancid Amputation

Cannibal Corpse

Torsos hang from their own intestines
Raped of all bodily extensions
Stumps wreathing in a sludge like infection
Suffering through a Rancid amputationA pulsating artery accompanied by some veins
Slit with no restraint, sacs of pus develop
My muscles tighten as I feel the rush
I look at your body starting gushI slice through the limb
A human dissection
Portions of half-eaten flesh in my mouth
Starting to chew your now bleeding stumpI will swallow your pus
Your own rectal slime
I'll force you to drinkVessels explode as needles injected
Uncontrollable, my brain tormented
Slit from head to toe, die through the torture
Disease engulfs youInternal rot
Fresh cut wounds beginning to clot
Ripping through flesh
Is what I do bestTear off an arm, amputated neck
Eyes removed, cranium smashed
Decomposing remains, severed in half
Dying slowly never to rest, nerves are quivering as I tripRemoval of life on the blade of my knife
Inserted in your spine, smashing through bone
Feel my hell, I feed on fright
Rape the limbless cadaver
