Getting Away With It

Electronic

I've been walking in the rain
Just to get wet on purpose
I've been forcing myself
Not to forget just to feel worse
I've been getting away with it all my life
(Getting away)However I look, it's clear to see
That I love you more than you love me

However I look, it's clear to see

I love you more than you love meI hate that mirror, it makes me feel so worthless I'm an original sinner but when I'm with you

I couldn't care less
I've been getting away with it all my life
(Getting away with it)
All my life

(Getting away)However I look, it's clear to see That I love you more than you love me

However I look, it's clear to see

I love you more than you love me I love you more than you love me

(More than you love me)I thought I gave up falling in love

A long, long time ago

I guess I like it but I can't tell you

You shouldn't really know

And it's been true all my life

Yes, it's been true all my lifeI've been talking to myself

Just to suggest that I'm selfish

(Getting ahead)

I've been trying to impress

That more is less and I'm repressed

(I should do what he said)However I look, it's clear to see

That I love you more than you love me

However I look, it's clear to see

I love you more than you love me

I love you more than you love me

I love you more than you love meGetting away with it Getting away with it
