

Sunset Tonight

Jordan T

Girl I know youâ€™re playing hard to get
Acting like I, I donâ€™t see you
I watch you chum the water waiting for a bite
But I only bite if you reel it
We both know, I know you feel it
â€™Fraid to show, girl just admit it
All cards will fold with mine to a royal blush
And weâ€™ll cash it in

Pre-Chorus:

Oooh, you give me some feelinâ€™, yeah
Oooh, you give me some feelin, ooh yeah

Chorus:

Letâ€™s put these games on the side
And watch the sunset tonight
Talk about the things that you like, girl
Talk about the things that we like, that we like, yeah
Iâ€™ll find a way through, to the you inside of you
Wanna know the girl behind the self-portrait that you drew, yeah
The real picture of you, the real picture of you, yeah

I know this might be a little bit clichÃ©
Tryinâ€™ to find the right words to phrase it
But Iâ€™m addicted to your smile, havenâ€™t seen it in a while
Got me wantinâ€™ to arrange a visit
We both know, I know you feel it
â€™Fraid to show, girl just admit it
All cards will fold with mine to a royal blush
And weâ€™ll cash it in

Pre-Chorus:

Oooh, you give me some feelinâ€™, yeah
Oooh, you give me some feelin, ooh yeah

Pre-Chorus:

Oooh, you give me some feelinâ€™, yeah
Oooh, you give me some feelin, ooh yeah

Chorus:

Let's put these games on the side
And watch the sunset tonight
Talk about the things that you like, girl
Talk about the things that we like, that we like, yeah
I'll find a way through, to the you inside of you
Wanna know the girl behind the self-portrait that you drew, yeah
The real picture of you, the real picture of you, yeah

Put these games on the side, oh
Talk about the things that you like, yeah, oh
Find a way through ' to the you
Feel the girl inside of you ooh, ooh

Chorus:

Let's put these games on the side
And watch the sunset tonight
Talk about the things that you like, girl
Talk about the things that we like, that we like, yeah
I'll find a way through, to the you inside of you
Wanna know the girl behind the self-portrait that you drew, yeah
The real picture of you, the real picture of you, yeah

Put these games on the side, oh
Talk about the things that you like, yeah, oh
Find a way through ' to the you
Feel the girl inside of you ooh, ooh
