

Sing Glory (feat. Clay Dubberly & Deb Perry)

Doug & Deb

We shout to God, all the earth.
We praise Him for His mighty works.
Nations join the worship of His name.
Heâ€™s the One, Who hears our cries,
knows our hearts, and guides our lives.
No other is deserving of our praise.

We sing glory to Your name, forever You will reign.
All earth praises Your name.
We sing glory to Your name, forever You will reign.
All earth praises Your name.

We sing glory to Your name.
We sing glory to Your name.

We sing glory, hallelujah to Your name. Your holy name.
We sing glory, hallelujah to Your name. Your holy name.
We sing glory, hallelujah to Your name.
Your holy name.
