

# Freight Train

## Jackyl

Jump aboard if you're ready to rock  
Got your ticket, all hell's busting loose inside  
All aboard is primed and ready to roll  
All aboard is crunk, they're chugging, chugging, chugging, chuggingLet's go crazy  
Let's jump the track  
Keep pumping, keep pumpingPump like a freight train  
Can't stop a freight train  
Jump on a freight train  
Pump like a freight trainWhistle blows and the smoke stack's smoking  
Fired up, heavy token, all aboard can hang  
Hit one stop, two stop, three stop more  
Hit all aboard 'cause I'm a one-man gang bangLet's go crazy  
Let's rip the night  
Like an out of control locomotivePump like a freight train  
Can't stop a freight train  
Jump on a freight train  
Pump like a freight trainKeep pumping like a diesel [(hey)]  
Keep pumping, keep pumping  
Keep pumping right on time [(hey)]  
Keep pumping, keep pumping[(Keep pumping like a diesel)(Keep pumping like a diesel)]Pump like a freight train  
Can't stop a freight train  
Jump on a freight train  
Pump like a freight train[(Can't stop a freight train)] keep pumpin'  
[(Can't stop a freight train)] keep pumpin'  
[(Can't stop a freight train)] keep pumpin'  
[(Can't stop a freight train)]Keep pumpin'  
I'm a-pumpin'  
Like a locomotive
