It's Written All Over Your Face

Ronnie Milsap

Is there a tear in that gleam in your eyes
Is there a reason for me to ask why
Don't say a word, cause you never could lie
Don't be afraid of what you can't hideIt's written all over your face
Someone has taken my place
And it's something you just can't erase
It's written all over your faceYou look in my eyes, you want to be strong
But you don't feel a thing when the feeling is gone
It's not that it's right and it's not that it's wrong
You just can't let go but you just can't hold on
