Try Hard

5 sos

I'm trying to hard againShe's dropping outta school 'cause she don't need the grades.
The colors in her hair don't seem to fade.
I get dressed up when I go out but she gets dressed down.She's 17, I told her I'm 20.
I couldn't take her out 'cause mum's got no money.
It's stuff like this that makes me wish that I could change somehow.Sitting here at home, it's obvious.She's so out of reach, and I'm finding it hard
'Cause she makes me feel, makes me feel,
Like I try, like I try, like I'm trying too hard,
'Cause I'm not being me, and it's getting me down
That she makes me think, makes me think,
That I try, that I try, that I'm trying too hard again'Cause I'm trying too hard againShe's got a rose tattoo but she keeps it covered,
I play guitar but she's into drummers,
She's seen my face around but she doesn't even know my nameI pierced my lip so she thinks I'm cool,
I ripped my jeans and dropped out of school,
I followed her 'round the town but she thinks that I'm a weirdo nowSitting here at home, it's obviousShe's so out of reach, and I'm finding it hard
'Cause she makes me feel, makes me feel,
Like I try, like I try, like I'm trying too hard,
'Cause I'm not being me, and it's getting me down
That she makes me think, makes me think,
That I try, that I try, that I'm trying too hard againBut now, who knew?
That she's in the crowd of my show
Nothing to lose,
She's standing right in the front row
The perfect view,
She came alone on her own,
And there's something that you should knowYou're so out of reach, and I'm finding it hard
'Cause you make me feel, you make me feel,
Yeah she makes me feel, she makes me feel
It's obviousShe's so out of reach, and I'm finding it hard
'Cause she makes me feel, makes me feel,
Like I try, like I try, like I'm trying too hard,
'Cause I'm not being me, and it's getting me down
That she makes me think, makes me think,
That I try, that I try, that I'm trying too hard again
(and again, and again, and again, and again)
'Cause I'm trying too hard again
(and again, and again, and again, and again)

'Cause I'm trying too hard again
