## A Taste of Honey

It's all because of you, I'm feeling sad and blue  
You went away now my life is just a rainy day  
I love you so, how much you'll never know  
You've gone away and left me lonely Untouchable memories seem to keep haunting me  
Of love so true that once turned all my gray skies blue  
But you've disappeared, now my eyes are filled with tears  
I'm wishin you were here with me Soft with love are my thoughts of you  
Now that you're gone I don't know what to do If only you were here, you'd wash away my tears  
The sun would shine and once again you'd be mine, all mine  
But in reality you and I will never be  
Cause you took your love away from me, hooh If only you were here, you'd wash away my tears  
The sun would shine, once again you'd be mine, all mine  
But in reality you and I will never be  
Cause you took your love away from me, hooh, baby  
You took your love away from me Sayonara
