

# Freak

## Little Mix

You don't get these kisses for free It's getting late baby your dinner's cold  
I tried to call but got your answer phone  
Last thing that you said you were on your way back to me  
I can tell you think there's nothing wrong  
What's with the haircut and the new cologne?  
Lipstick on your shirt, so don't make it worse lying to me Now watch me set the tone  
You'll be sleeping in the bed alone  
Little boy you better run along  
Don't want to make me sorry  
Can't you see you ain't making a fool of me  
Boy, it's insanity, you better run You don't get these kisses for free  
See I've got two sides of me, boy  
(The fre, fre, fre, fre, freak)  
The one you want your mother to meet  
And the one that's a freak, boy  
(The fre, fre, fre, fre, freak)  
No I can't be tamed, make you scream my name  
I ain't playing games no more, so  
You don't get these kisses for free  
I pray that you never meet, boy  
(The fre, fre, fre, fre, freak) Listen to me now it's critical  
You don't want to wake this a-a-animal  
Get your story straight, I can't wait all night for sure Now watch me set the tone  
You'll be sleeping in the bed alone  
Little boy you better run along  
Don't want to make me sorry  
Can't you see you ain't making a fool of me  
Boy, that's insanity, you better run You don't get these kisses for free  
See I've got two sides of me, boy  
(The fre, fre, fre, fre, freak)  
The one you want your mother to meet  
And the one that's a freak, boy  
(The fre, fre, fre, fre, freak)  
No I can't be tamed, make you scream my name  
I ain't playing games no more, so  
You don't get these kisses for free  
I pray that you never meet, boy  
(The fre, fre, fre, fre, freak) I won't forgive you for your mistakes  
Don't try to turn this 'round boy, it's too late

You know I won't forgive you for your mistakes  
Don't try to turn this 'round boy, it's too late  
There's emotions you ain't seen  
Be your nightmare or your queen  
Go 'head bad boy live your dream  
Don't come crawling back to me You don't get these kisses for free  
See I've got two sides of me, boy  
(The fre, fre, fre, fre, freak)  
The one you want your mother to meet  
And the one that's a freak, boy  
(The fre, fre, fre, fre, freak)  
No I can't be tamed, make you scream my name  
I ain't playing games no more, so  
You don't get these kisses for free  
I pray that you never meet, boy  
(The fre, fre, fre, fre, freak)
