Will You Love Me Tomorrow

Dusty Springfield

Tonight youre mine completely, oh
You give your love so sweetly
Tonight the light of love is in your eyes
But will you love me tomorrow? OhIs this a lasting treasure? Oh, no no no
Or just a moments pleasure?
Can I believe the magic of your sighs?
Will you still love me tomorrow?Tonight with words unspoken
You said that, "Im the only one"
But will my heart be broken
When the night meets the morning sun?Id like to know that your love, no no no no no
Is a love I can be sure of
So, tell me now and I wont ask again
Will you still love me tomorrow? OhSo tell me now and I wont ask again
Will you still love me tomorrow? Hey hey
Will you still love me, love me tomorrow? No no no no
Will you still love me, love me tomorrow?
