

Mirror (Me)

[Emil Bulls](#)

I don` t like it here
I feel so alone
I` m a stranger to myself
I` m afraid of being at home
It` s always you
Oh every day it` s all the same
I wonder why
I` m satisfied
I float around
Don` t know where I belong
I stay because of you
Waiting in oblivion
I wish we were siamese
I can` t let go
