

Promises

Eric Clapton

I don't care if you never come home.
I don't mind if you just
Keep on rowin' away on a distant sea
'cause I don't love you and you don't love me. You cause a commotion when you come to town
You give 'em a smile and they meet
Having lovers and friends is all good and fine
But I don't like yours and you don't like mine. La la la ... I don't care what you do at night oh
I don't care how you get your delights
We'll leave it alone
We'll just let it be
I don't love you and you don't love me. I got a problem
Can you relate?
I got a woman
Callin' love hate.
We made a vow
we'd always be friends.
How could we know that promises end. La la la ... I tried to love you for years upon years
But you refuse to take me for real
It's time you saw what I want you to see
That I'd still love you if you'd just love me. I got a problem
Can you relate?
I got a woman
Callin' love hate.
We made a vow
we'd always be friends.
How could we know that promises end. La la la ...
