

# Stigmatized

## The Calling

If I give up on you I give up on me  
If we fight what's true, will we ever be?  
Even God himself and the faith I knew  
It shouldn't hold me back, shouldn't keep me from you  
Tease me by holding out your hand  
Then leave me or take me as I am  
And live our lives stigmatized, yeah  
I can feel the blood rushing through my veins  
When I hear your voice, driving me insane  
Hour after hour, day after day  
Every lonely night that I sit and pray  
Tease me by holding out your hand  
Then leave me or take me as I am  
And live our lives stigmatized, oh, yeah  
We live our lives on different sides  
But we keep together, you and I  
Just live our lives stigmatized  
We'll live our lives, we'll take the punches everyday, oh  
We'll live our lives, I know we're gonna find our way, yeah  
I believe in you even if no one understands  
Yeah, I believe in you and I don't really give a damn  
Oh, we're stigmatized, yeah  
We live our lives on different sides  
But we keep together, you and I  
We live our lives on different sides  
We're gonna live our lives  
We gotta live our lives  
We're gonna live our lives, yeah  
We're gonna live our lives  
We're gonna live our lives, yeah, stigmatized
