Chanee'

Mmmmm mmm mmm mm mmm
Oooohh
Kiely:
I was just about to walk away
When I felt your gravity
Pulling me closer
There was no breakin' free
It had a hold on me
So what was I suppossed to do
When it's getting so hot
Was it your or the lemon drop (mm)
Like a shot straight to my head
Think I better catch my breath (hah hah)
I can't let you get away
So I'll just make a move
Step to you and then say (ooooh)
Chorus:
What you doin' after this?
Got me thinkin' bout doin' them thangs I ain't never did (yeeea)
And I might wanna roll with you
But before we hit the lot (yeah)
Tell me what you wanna do (ah hah)
Adrienne:
Thinkin' you know the deal
So baby come and grab the wheel
What you gon say now (mm)
Tell me are you down tonight
Cuz I'm in for the long ride
Cuz you're a hot boy (you're a hot boy)
And even if the clock strikes one, two (twoo)
Ain't no way we gon move cuz
I came to get my party on
Wasn't lookin' but I think that you're the one
I can't let you get away (can't let you get away)
So I'll just make a move (so i'll just make a move)
Step to you and then say (step to you and just say)
Chorus:

What you doin' after this?

Got me thinkin' bout doin' them thangs I ain't never did (i ain't never diiiid)
And I might wanna roll with you
But before we hit the lot (yeah)
Tell me what you wanna do (ah hah)
What you doin' after this? (yeaah)
Got me thinkin' bout doin' them thangs I ain't never did (i ain't never diiiid)
And I might wanna roll with you
But before we hit the lot (yeah)
Tell me what you wanna do (ah hah)
Say I don't care, where we go
As long as I'm with you around
Even in a crowd, we're all alone
Cuz all I'm thinkin' about is You (oooooh)
What you doin' after this?
Got me thinkin' bout doin' them thangs I ain't never did (i ain't never diiiid)
And I might wanna roll with you
But before we hit the lot (yeah)
Tell me what you wanna do (yeaaaaah)
What you doin' after this?
Got me thinkin' bout doin' them thangs I ain't never did (i ain't never diiiid)
And I might wanna roll with you
But before we hit the lot (yeah)
Tell me what you wanna do (ohhh)
