

# The Isla Waters

## Silly Wizard

I have funds tae buy me whiskey  
Monie funds tae call my ain  
But if I should get to fu' o' water  
Wha's the man that would carry me hame? CHORUS: And if I be drunk in the Isla Waters  
Hou the deuce would I win Hame?  
If I be drunk in the Isla Waters  
My wee doggie would find me in the Isla stream. Ilka day I cross that water  
Aye she's bricht and clear tae see  
But after hours o' ale-hous laughter  
Daurk an' still she waits on me. CHORUS Like the fisher's line that's broken  
Cleaves the salmon tae the swell  
Monie's the nicht ye'll find me souken  
But ye brak the line yersel. CHORUS
