

(Love Is Like A) Heatwave

Martha Reeves & The Vandellas

Whenever I'm with her
Well, something inside
Starts to burnin'
And I'm filled with desire
Could it be the devil in me
Or is this the way love's supposed to be?

It's like a heatwave
Burning in my heart
(It's like a heatwave)
Can't keep from cryin'
(Heatwave)

It's tearing me apart
Whenever she calls my name
Whose soft flow, sweet, and plain
I feel, I feel

Feel that burning flame
Has high blood pressure got a hold on me
Or is this the way love's supposed to be?

It's like a heatwave
Burning in my heart
(It's like a heatwave)
Can't keep from cryin'
(Heatwave)

It's tearing me apart

Heatwave

Heatwave

Sometimes I stare in space
Tears all over my face
Can't explain it, don't understand it
I ain't never felt like this before
Well, that funny feeling has me amazed
Don't know what to do, my head's in a haze

Just like a heatwave
Yeah, yeah, yeah, yeah
Ooh, you're in love, girl
Yes, this is the love girl
Ooh, girl, get it, girl
Ooh, you know this is love, girl

(Ain't nothin' but love, girl)

Don't pass up this chance

It could be true romance

Heatwave

Yeah, yeah, yeah, yeah

Burning, burning, burning

Burning, burning, burning

Burning, burning, burning
