

Evening Sun

Gemma Hayes

Evening sun
Why don't you stay
Just a little longer, please My friends and I
Well, our party's almost over
Why don't you stay
Just a little longer please 'Cause I need you bad
I need you better
I need you bad
That I could kill
I need you bad
I need you better
Come on Evening sun
Why don't you stay
Just a little longer, please My friends and I
Well, our party's almost over
Why don't you stay
Just a little longer please 'Cause I need you bad
I need you better
I need you bad
That I could kill
I need you bad
I need you better
Come on, now
