

# Jesus Just Left Chicago

## Hank Williams Jr.

Jesus just left Chicago  
And He's bound for New Orleans  
Well now, Jesus just left Chicago  
And He's bound for New Orleans  
Workin' from one end to the other  
And all points in between  
Took a jump through Mississippi  
Well, muddy water turned to wine  
Took a jump through Mississippi  
Muddy water turned to wine  
Then I out to California through the forests and the pines  
Oh, take me with You, Jesus  
You might not see him in person  
But he'll see you just the same  
You might not see him in person  
But he'll see you just the same  
You don't have to worry  
'Cause takin' care of business is his name
